AMSDG 2026

We are honored to welcome you to the **1st International Conference on Advanced Materials for Sustainable Development Goals** (AMSDG 2026) at Ming Chi University of Technology (MCUT), Taiwan.

AMSDG 2026 aims to unite global experts from academia and industry to showcase cutting-edge research and emerging technologies in advanced materials. Our goal is to bridge the gap between scientific innovation and global sustainability, fostering interdisciplinary partnerships that address the challenges of our time.

In addition to our comprehensive technical program, we have curated various networking events to encourage collaboration between established scholars and the next generation of scientists.

We warmly welcome your participation and look forward to seeing you at MCUT!

Symposiums

- Plasma & Thin Film Technologies
- AM for Energy
- AM for Sustainability
- AM for Electronics & Photonics
- AM for Bio-Applications

Awards

- ◆ *Student Oral Presentation Awards*
- ◆ *Poster Presentation Awards*

Special Issue

Surface and Coatings Technology

Submission Opens : **June 1, 2026**

Submission Deadline : **October 15, 2026**

Organizer

Co-organizer

低温プラズマ科学研究センター
Center for Low-temperature Plasma Sciences, Nagoya University

HCMUS
Viet Nam National University
Ho Chi Minh City
University of Science
